

7th Step Beyond Annual Breakfast®

Thursday, May 2, 2019
7:30am
The Westin South Coast Plaza

The Wooden Floor will celebrate our Class of 2019 at the 7th Step Beyond Annual Breakfast®, May 2, 2019. This annual breakfast brings together business and community leaders to raise funds in support of our College and Career Readiness and college scholarships programs that continue to propel 100% of our graduates on to higher education. **Our Class of 2019 is on track to be the 15th year in a row to have 100% of our high school seniors graduate on-time and immediately enroll in college.**

With each student's success story, we are reminded of our growing commitment with every passing year to provide these cohorts of under-served young people with the resources to achieve their ambitious goals in high school, college, and beyond. The *Step Beyond* Annual Breakfast® is our opportunity to stand behind these students to ensure that they can readily **step beyond** their "second home" at The Wooden Floor with the right tools and confidence to reach their full potential.

This year we are very pleased to enjoy a keynote address by **the brother sister team of Tam and Linh Nguyen, President and Vice President of Advance Beauty College**, who will share their educational and career journeys with guests and students. Tam and Linh will be joined by **Class of 2019 student speaker Donna Gaytan**, who will share her journey at The Wooden Floor and how it prepared her to take her next exciting step to college.

ABOUT THE WOODEN FLOOR

Founded in 1983, The Wooden Floor is one of the foremost creative youth development nonprofit organizations in the country. We transform the lives of young people in low-income communities through the power of dance and access to higher education. In Orange County and through national licensed partners, we use a long-term approach grounded in exploratory dance education to foster the confidence and gifts within each child to innovate, communicate, and collaborate – skills necessary for success in school and in life. 100 percent of students who graduate from The Wooden Floor immediately enroll in higher education. Our students become change agents and beacons of hope within their own families, their neighborhoods, our community, and our world.
