

# 5th Step Beyond Annual Breakfast®

Thursday, April 27, 2017 | 7:30am  
at The Wooden Floor

The Wooden Floor will celebrate our largest graduating class of students to date – our Class of 2017 – at the 5th Step Beyond Annual Breakfast®, April 27, 2017. This annual Breakfast brings together business and community leaders to raise funds in support of our College and Career Readiness and college scholarships programs that continue to propel 100% of our graduates on to higher education. Our Class of 2017 is on track to be the 13th year in a row to have 100% of our high school seniors graduate on-time and immediately enroll in college or university.

With each student's success story, we are reminded of our growing commitment with every passing year to provide these growing cohorts of under-served young people with the resources to achieve their ambitious goals in high school, college, and beyond. The Step Beyond Annual Breakfast® is our opportunity to stand behind these students to ensure that they can readily step beyond their "second home" at The Wooden Floor with the right tools and confidence to reach their full potential.

This year we are very pleased to enjoy a keynote address by **Dr. Alice M. Police**. Dr. Police is a renowned breast cancer expert and surgical oncologist at UC Irvine Health Pacific Breast Care Center, who will share her educational and career journey with guests and students. Dr. Police will be joined by **Class of 2017 student speaker Leslie Mateo**, who will share her journey at The Wooden Floor and how it prepared her to take her next exciting step to college.

## ABOUT THE WOODEN FLOOR

Founded in 1983, The Wooden Floor is one of the foremost arts-for-youth nonprofit organizations in the country. We transform the lives of young people in low-income communities through the power of dance and access to higher education. In Orange County and through our national licensed partners, we use a long-term approach grounded in exploratory dance education to foster the confidence and gifts within each child to innovate, communicate, and collaborate – skills necessary for success in school and in life. 100 percent of students who graduate from The Wooden Floor immediately enroll in higher education. Our students become change agents and beacons of hope within their own families, their neighborhoods, our community, and our world.
